Agreement and Release of all Liability

I, _____ (Print name of rider), the undersigned, in consideration of the acceptance of this entry hereby acknowledge that I have voluntarily applied to participate in the Tahoe Rim Ride. I, the undersigned, in consideration of accepting this entry, do hereby for myself, my heirs, executors, and administrators, waive and release EnduranceTrax, the Tahoe Rim Ride, it's sponsors, Managers, Volunteers, and all individual members thereof and all other persons regardless of their capacity in any way connected with the event described herein, their representatives, heirs, executors, administrators and assigns from any and all right, claim or liability for damages, or for any and all claims of any kind and nature that I might have. As a participant in the Tahoe Rim Ride, I agree to abide by the rules of AERC and the aforementioned ride. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards which Ride Management expressly declines to anticipate, identify, modify or eliminate or warn against; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I ride. I release, hold harmless and indemnify the AERC, USFS, Nevada State Parks, Tahoe Basin Management Unit, ride management, all ride personnel, and all property owners over whose land the ride passes, from all liability arising from any accident, injury, or loss that might occur due to my participation in the ride. **I have carefully read this agreement. I understand that it is a complete release of liability and a promise not to sue or to make a claim – that it is a contract between myself and ride management.**
