The Tahoe Rim Ride will be using a lottery entry approach for the 2014 ride (50-mile) to be held on August 23, 2014. Due to logistics concerns and the limited amount of entries we can accept, we have decided not to hold a limited distance ride in 2014. Ride Management will reserve a few entry slots for awards and promotion, and the rest will be drawn from the Lottery/Reservation forms received (See below). We will also draw 25-30 names to establish the waiting list.

Reservation/Lottery entries will be accepted between August 1st and November 31st 2013. A drawing for entries and the waiting list will be held and announced on December 1st 2013 at the start of the 2014 Ride Season.

At this time, the ride is limited by the number of rigs that can be parked at base camp. We ask that all riders come with at least 2 horses (Or more!) per rig. We will help you find a passenger if you like! Trailer pooling lets us offer the ride to more entrants, and increases the chances of repeating the ride in the future. Parking will be assigned at base camp.

Your \$50.00 Lottery/Reservation check (To be sent in with the form below) will be held until the December 1st drawing. Should you be one of the entries pulled, we will deposit your check and your deposit will be fully refundable until June 15th, 2014 (After that an administration fee will be withheld from the refund). Full Cancellation policies will be listed on the Entry Form that will be sent out after the lottery drawing on December 1st, 2013. Completed entry forms must be sent in with the balance due no later than June 1st, 2013. Entries will not be accepted at base camp, all entrants must confirm registration after the drawing.

All event information, directions, maps, and other pertinent details will be available on our website and Facebook page, please be sure to check our website for updates prior to the event and to become a fan of our Facebook page. We post pictures, updates and other ride information at both of these locations.
